

HO Scale Kit

Wood Water Tank

933-3507

Thanks for purchasing this Cornerstone Series Kit. Please read all instructions before starting. All parts are molded in styrene plastic. Use glues and paints which are compatible.

Before Assembly

Check kit for proper number of parts. Cut and file flash from parts. Sand edges to ensure right angle joints with no gaps between parts.

Assembly

Glue water tank stands (27) to bottom of platform (24), and the bracing (28) to the stands. Glue the tower sides (25) to the platform and then glue the top (26). Glue pipe (30) together and into the hole in bottom of platform. Now, glue ladder (29) where you wish.

Painting

You can paint this kit with brush, spray can or airbrush. Paint after assembly is complete to help cover up any seams. Weathering is optional.
